CONSTRUCTION BEGINS ON NEW ASSISTED LIVING COMMUNITY – CULPEPPER PLACE OF OLIVE BRANCH, LLC

Foster Hospitality Group, LLC, broke ground on its newest assisted living community, Culpepper Place of Olive Branch on April 10, 2017. The 64-unit facility is located at 7250 Pleasant Hill Road in Olive Branch, MS with an anticipated opening in the Spring of 2018.

President and Managing Member, Robert Foster stated, "We are thrilled to join the Olive Branch community. This beautiful area has been of interest to us for several years and we were so excited when we found the perfect land for one of our communities. We look forward to providing a happy and safe home environment to our new Culpepper Place family members."

Built on a legacy of caring established in 1955, it is the mission of Foster Hospitality Group, LLC and its Culpepper Place communities to provide life-enriching community experiences which emphasize excellence, integrity, respect, individuality and security.

With over 60 years of experience and 20+ senior living communities built and/or operated, Foster Group is a distinctive, full-service senior living company. From the meticulous design, planning and construction of facilities to operations and management of the communities, the client's needs are the top priority.
